

WOMAN IN BAD CONDITION

Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Montpelier, Vt. — "We have great faith in your remedies. I was very irregular and was tired and sleepy all the time, would have cold chills, and my hands and feet would blot. My stomach bothered me, I had pain in my side and a bad headache most of the time. Lydia E. Pinkham's Vegetable Compound has done me lots of good and I now feel fine. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me." — Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine
It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Borrow On Policies

Companies holding 93 per cent of the life insurance assets of the U. S. report that more than \$500,000,000 of life insurance will be lost to beneficiaries named in policies because of the increased number who borrow on their insurance policies. At the close of 1912 there was \$587,000,000 borrowed on policies and experience has shown that less than 10 per cent of these borrowers ever redeem their policies.

Bevier people are nervous lest the Central Coal & Coke Co. have to quit business in the state. The company operates the mines at Bevier, this being by far the largest industry of that town.

Wayland Wins Dash

The Missouri Athletic Club met the other St. Louis clubs, schools and societies Wednesday night week in an indoor athletic meet at the Armory. One of the contenders for the M. A. C. was Shannon Wayland of this city who took finals for the 50-yard hurdles at this meet. Wayland had been with the M. A. C. for only about a week, and this fact, coupled with several others, the matter of working on an indoor floor and in events to which he was unused, handicapped him. There was a 50-yard dash and running high jump, but the latter was about the only event other than hurdles for which he would have been qualified with his past training. There was no broad jump. In the high jump, the winner went 5 ft. 6 in. and third place was taken by 5 ft. 3 in. This ought to have given Wayland a place. Under ordinary circumstances with training and an outdoor track, Wayland ought to show in this class in the 100 yard or 220 yard dashes or hurdles, the high or broad jump. His showing Wednesday night indicates that with the right kind of training he will be heard from further. Wayland also is a member of the Y. M. C. A. at St. Louis. A letter received by J. W. Wayland shows that his son entered one event, the one he won. A sore foot kept him from entering any other events and he entered the hurdle against his own desire. He had been under training one week.

Quarantine Mexico

The city of Mexico, Mo. is under quarantine. The city schools were dismissed last week for two weeks, and theatres and churches closed to prevent an epidemic of small-pox. There are thirty-five cases in that county and two in Mexico, Misses India Johnson and Isabelle Gregory being reported last week, in Mexico. The disease is in a light form.

Miss Nellie Hiles of Macon met with a sad fate. She scorched her eyeball while curling her hair when the curling iron slipped and touched the eye.

Back to the Steppes

Imported protein took a tumble at Kansas City Monday night when Fred Beell, weighing 175 flopped Mamutoff a hunk of Russian caviar weighing nearly a fifth of a ton at the Coliseum at Kansas City before an audience of 4000. The people present hoped that Beell would not be seriously injured when the Russian mopped the mat with him. The Wisconsinman flattened the Russian for two falls, the first in about 30 and the second in about 8 minutes. He got \$1000 for winning and \$380 at the rate of \$10 per minute for waiting a while before he did it. This was in accordance with the offer made Beell by Jack Herman, Mamutoff's manager.

Sterling Price, wife and daughter came to this city the latter part of last week to visit friends and also their daughter, who teaches school near here.
